Can I give and read simple grid references? ○

Name of feature	Symbol	Grid Reference

What do you find at these grid reference?

Name of feature	Symbol	Grid Reference
		F5
		D4
		A3
		C1
		B4
		E2

If you use the chart above— you can simply draw a cross if the square is empty.

Or — if you use the chart below, ask a grown up at home to write grid references for you using your map with symbols from yesterday.

What do you find at these grid reference?

Name of feature	Symbol	Grid Reference
