

How to make a Fairy Garden!

	<p>1. First fill the bowl with soil and pat it down gently.</p>
	<p>2. After that build the house and position it in the garden.</p>
	<p>3. Next carefully place the stones to make a pretty path.</p>
	<p>4. Then evenly sprinkle the grass seeds onto the soil.</p>
	<p>5. Afterwards decide where to push the shell into the soil and fill it with water.</p>
	<p>6. Finally add your finishing touches like the flowers and toadstool.</p>
	<p>7. Don't forget to find places to put the mouse and fairy.</p>
	<p>8. At the very end sprinkle on a tiny pinch of glitter.</p>
	<p>9. Remember to water the seeds and put the garden in the sun to grow.</p>
