

The aim of the game is to be the first to get 3 in a row.

**3 In a Row!**

1. Roll a die.
2. Select a word from the row with that number.
3. Read the word and cover it with a counter (or colour the box in your chosen colour)
4. Your partner now has a turn and play continues until one player has covered (or coloured) 3 words in a row—horizontal, diagonal or vertical. Play can continue to see who can get the most rows of 3.
