

Sentence detective

Tick each sentence that has the 'ea' grapheme and cross the ones that don't have 'ea'. Circle the 'ea' words:

Example: Boats sail on the sea.

1. Jack sold his cow, Daisy, for magic beans.
2. His mother was very angry about his choice.
3. She sent him to bed without a treat.
4. During the night a beanstalk grew.
5. Jack was amazed by what had happened.
6. Jack climbed the beanstalk, wondering what was there.
7. Jack saw a giant castle in the clouds.
8. He entered the castle and saw it belonged to a giant.
9. Jack heard huge footsteps coming and so he hid.

Now write your own 'ea' sentence (it does not have to be from Jack and the Beanstalk).
