

**Over Christmas, I watched many
films, including STAR WARS.**

**But it made me think about the different
aliens, and that if we met aliens what
would we do?**

The Child aka BABY YODA

Imagine we are on an alien planet, and we find a Baby Yoda, is it right that we take him and keep him as a pet?

Could we keep aliens as pets?

Think about habitat, food, safety, fairness?

Write your ideas
about why it is
a good idea in
the chat box.

Why would it be a good idea?

Why would it be a bad idea?

Write your ideas
about why it is a bad
idea in the chat box

SHOULD keep aliens as pets

SHOULD NOT keep aliens as pets

On your sheet collect ideas why it is a good idea or a bad idea to keep aliens as pets.

Think about habitat (where they live), food, safety, fairness, wellbeing.
