Can I plan an argument to explain my point of view?

Should we keep aliens as pets?

Yes (for)

No (against)

You are going to write an argument convincing people of your point of view so that next week we can begin writing our pieces of work.

Firstly, we need to PLAN out our view points so that they are clear.

Question: Should aliens be kept as pets?**Introduction: State your own general view-clearly**

I agree, aliens should be kept as pets,
it would be a brilliant thing to do.

Link: I have many convincing reasons to support my opinion

Reason 1: They would be an interesting pet to have
No one else would have a pet alien, it would be an interesting talking point.
Reason 2:
Reason 3:
