

- I have a lot of little problems, said Hiccup crossly. Ah yes, said Old Wrinkly thoughtfully, There's a book on the subject isn't there? He thinks you should yell at it, said Hiccup. Yes but maybe you'll have to train your dragon the hard way. You know a great deal about dragons, don't you Hiccup? That's a secret, said Hiccup uncomfortably. I've seen you talking to them, said Old Wrinkly. That's not true, protested Hiccup, going bright red faced. Ok then , soothed Old Wrinkly, it's not true.

Can I use a new line for a new speaker?

Your task today is to recognise when a new person is talking. Put whatever the person says into a text bubble.

Remember, in a text message you wouldn't see 'said Miss Heffernan quietly.

It should look something like below:
