Choose 10 questions you would like to know the answers to about space exploration between 1940 and 1970. Use a variety of sources to find the answers to your questions.

**Question 1:****Question 2:****Question 3:****Question 4:****Question 5:****Question 6:****Question 7:****Question 8:****Question 9:****Question 10:**

Laika the dog, the first animal in space

Yuri Gagarin, the first man in space

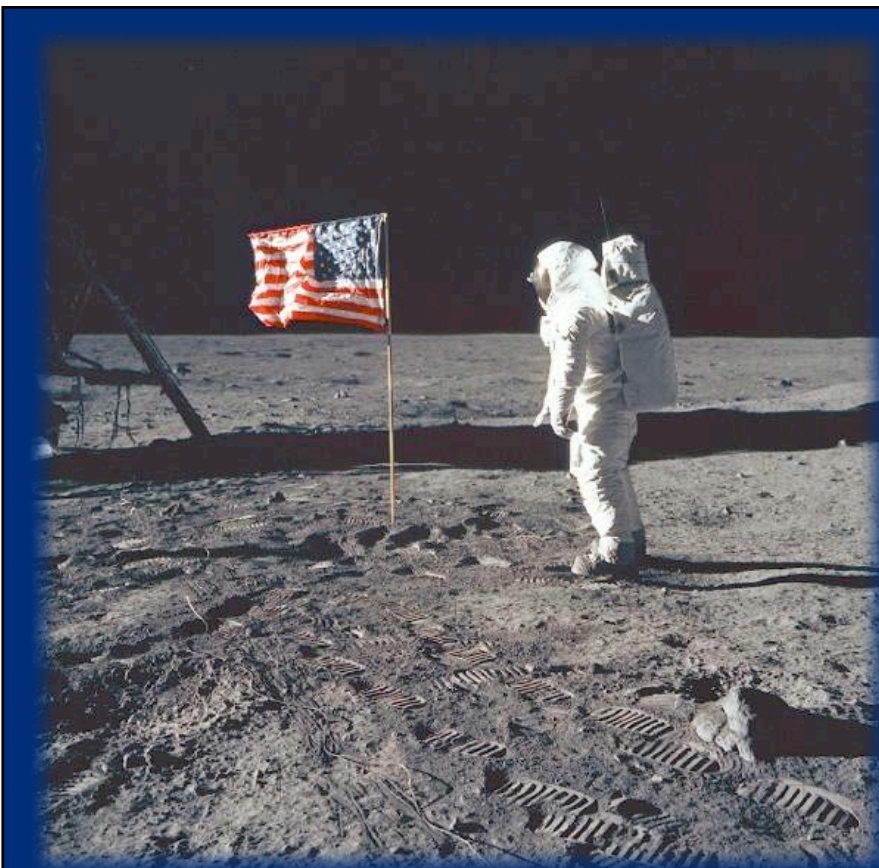

The crew
of Apollo
11: Neil
Armstrong,
Michael
Collins and
Buzz Aldrin

Valentina Tereshkova, the first woman in space

Sally Ride,
the first
American
woman in
space

Neil Armstrong, the
first man to walk on
the moon

Sputnik 1,
the first
man-
made
object in
space

Guion Bluford, the first African-American
in space
