

February Independent Activities

<p>Make a nature display in your house – what objects of interest can you find in your garden? Can you label each object?</p>	<p>Ask someone to draw around your body – can you recreate a life size version of yourself? Or maybe research and label parts of your body – internal and external!</p>	<p>Library Challenge: Put some of your books into alphabetical order. How else could you order them? Try the colours of the rainbow or size!</p>	<p>Make a friend smile! Write a postcard or draw a picture for a friend and post it to them.</p>	<p>Plan and deliver your own Friday awards assembly. You need to award certificates to your family for their achievements and you need to organize a game</p>
<p>Create a dream menu. Can you then make some of the dishes and present them to your family?</p>	<p>World in a shoebox: Can you recreate a real place or create your own imaginary world in a box? You could use paper, paint, glue, wool, playdough or anything from your recycling bin.</p>	<p>Show time: Can you use toys to recreate a favourite story?</p>	<p>Write a quiz for a member of your family. Make the answers multiple choice. What could their prize be?</p>	<p>Lego Challenge: make –</p> <ul style="list-style-type: none"> • The tallest tower • A dream island • A space vehicle <ul style="list-style-type: none"> • An animal • Your dream bedroom • A bridge
<p>Bowling Alley: Make your own bowling alley using empty plastic bottles and a foam ball.</p>	<p>Tidy challenge – before and after photo shoot and explain what you did.</p>	<p>Build a Den: What would you need to survive for the day?</p>	<p>Toothpick Modelling: Make a 3D model of a building using toothpicks and blutack balls for the joins and corners (cooked peas work as well!).</p>	<p>Toilet Tube Family: Make some creatures out of old toilet rolls or recreate your family. Can they tell who is who?</p>
<p>Crisps – fat test Put crisps or any small bits of food onto a paper towel. Which leaves the most fat behind?</p>	<p>Hold a teddy bear picnic. How many of your toys will attend?</p>	<p>Who eats the most crisps in your house? Who eats the most fruit? Discuss and present your findings.</p>	<p>Balloon Challenge: How long can you keep a balloon in the air for? Which different parts of your body can you use?</p>	<p>Order all the shoes in your house in terms of size or smell or both!</p>
<p>Paper Aeroplanes: Make and fly some paper aeroplanes. Which is fastest or goes furthest?</p>	<p>Garden Bug Hunt: Look under stones and logs – how many can you find?</p>	<p>Fancy Dress: Dress up as a character or person you know- can anyone guess who you are?</p>	<p>Watch a nature documentary, then tell someone in your family 3 new facts!</p>	<p>Magnetic Challenge: Take a fridge magnet and find out what objects are magnetic around your house.</p>
