

Why the long face?	On top of the world	Butterflies in your stomach
Wound up	About to explode	On cloud nine
Beside yourself	Down in the dumps	Over the moon
Cool as a cucumber	Ants in your pants	Under the weather

Why the long face?	On top of the world	Butterflies in your stomach
Wound up	About to explode	On cloud nine
Beside yourself	Down in the dumps	Over the moon
Cool as a cucumber	Ants in your pants	Under the weather
