

Jungle Home Learning Challenge

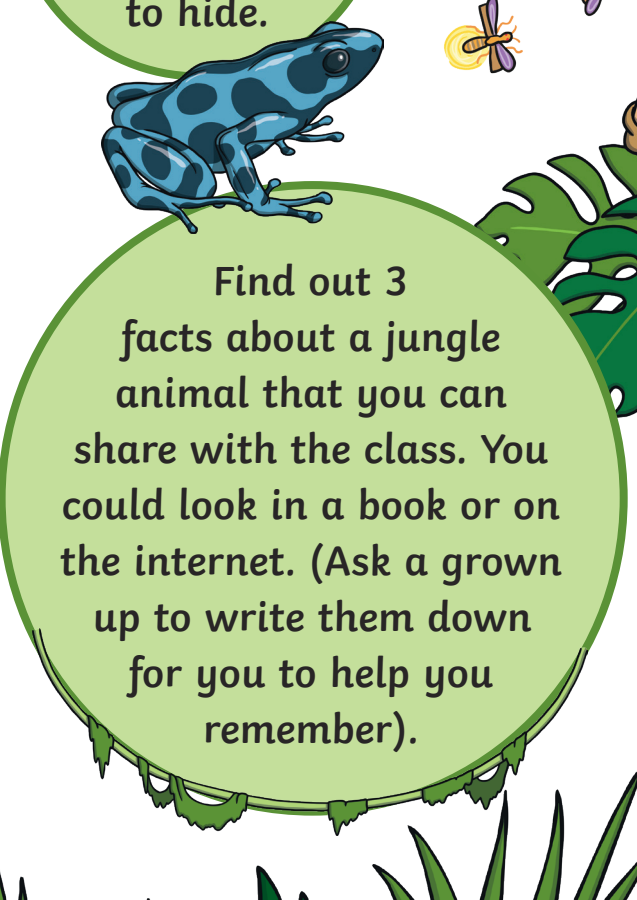

Read an animal story with a grown up and talk about the setting. Was it set in the jungle? Where was it set?

Design an animal mask of your favourite jungle animal.

Draw a picture of an animal that uses camouflage to hide.

Can you draw a long snake shape and then create a repeating pattern that goes all the way from its head to its tail?

Find out 3 facts about a jungle animal that you can share with the class. You could look in a book or on the internet. (Ask a grown up to write them down for you to help you remember).

Can you think of jungle animals that begin with these letters - s, e, p, m, g, f, t and j?
