A night photograph of a river in a town. In the foreground, several large, illuminated pyramids float on the water, glowing with a vibrant pinkish-purple light. Their reflections are clearly visible on the calm water surface. In the background, a stone bridge with multiple arches spans the river, illuminated with blue and white lights. The town's buildings line the banks, with some windows lit up and a few signs visible, including one that says "JAVAT". The sky is a deep, dark blue.
