

Wake-Up Time on Bumble Farm

Home Learning Challenges

Lots of animals live on Bumble Farm. Farmer Faye has sheep, cows, pigs, horses and chickens. What noises do these animals make? Can you make the sound of a farm animal for a grown-up to guess?

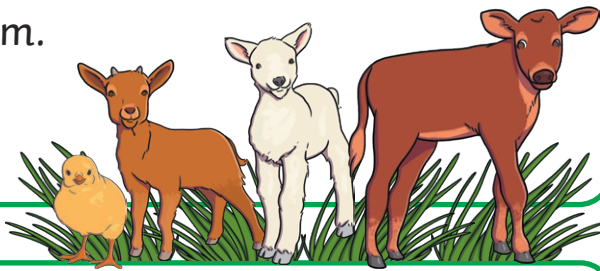

Can you draw a picture of your favourite farm animal? Can you write about them too? You could write about what they look like, or what happened to them in the story.

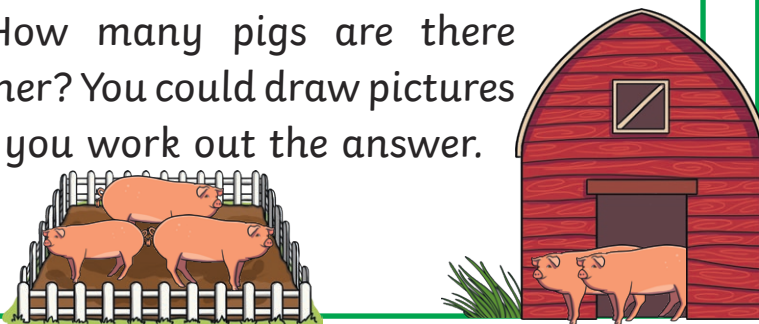

Can you make a model of a farm animal? Maybe you could use building bricks or empty packaging to make your model. We would love to see your creations!

There are pigs and piglets on Bumble Farm. Ask a grown-up to help you find out the names of other baby animals that might live on a farm.

There are 3 pigs in the mud and 2 in the shed. How many pigs are there altogether? You could draw pictures to help you work out the answer.

In the 'Wake-Up Time on Bumble Farm' story, Farmer Faye is very surprised when Rooster wakes her up late and she looks at the clock. Have a look at some different clocks. What numbers can you see? What time do you get up in the morning?
