

What designs can you create with the tangram shapes?
First, you will need to cut out your tangram shapes from an A4
piece of paper.

Fold the paper to create a square and cut off the excess paper.
Now cut out your shapes from this square.

Can you join some of the pieces together to make a triangle?

Can you join some of the pieces together to make a square?

Is there more than one way to do this?

What other shapes can you make?
