

I asked the children in the current Reception class about all of the things that they think would be useful to learn to do before you start school.

Here is the list.

- learn to get dressed
- get your own shoes on
- make your own breakfast
- learn to put on gloves
- learn to read your name
- learn to do up zips
- brush your hair
- brush your teeth
- learn to hang your coat on a peg
- learn to make new friends
- learn your new friends name
- learn to write your name
- learn to wash your hands
- learn to be kind
- learn to sit on the carpet quietly
- learn to put your hand up to say something
- remember your bug space
- learn to love books
