Uncover the Impostor Answers

SPaG Challenge 1

The green crewmate is the impostor.

Green is the impostor because all of the other words use the prefix 'dis-' but 'behave' needs the prefix 'mis-'.

SPaG Challenge 2

The blue crewmate is the impostor.

Blue is the impostor because all of the other words require the determiner 'a' but 'onion', 'umbrella', 'aardvark' and 'inch' all require the determiner 'an'.

SPaG Challenge 3

The red crewmate is the impostor.

Red is the impostor because all of the other words are adverbs but 'silly' is an adjective.

SPaG Challenge 4

The yellow crewmate is the impostor.

Yellow is the impostor because all of the other groups of words belong to a single word family but 'relative' does not belong to the 'real' word family, unlike 'realise', 'realistic' and 'unreal'.

SPaG Challenge 4

The orange crewmate is the impostor.

Orange is the impostor because all of the other sentences are written in the present perfect tense whereas the orange crewmate's sentence is written in the past perfect tense.
