

# Making a Mud Hedgehog

## You will need:

- a selection of short sticks or twigs
- a muddy area

## The Activity:

1. Go on a nature treasure hunt around your garden, or close to your home.
2. Collect as many small sticks and twigs as possible to act as your hedgehog's spikes.
3. Talk to your child about the shape and size of a hedgehog.
4. Using one of the sticks, draw a hedgehog's outline in the mud.
5. Carefully push the twigs into the mud at a slight angle to act as your hedgehog's spikes.
6. Name your mud hedgehog!
