

This what I already know about Heroes

They save people. They save people from the bad guys. Some can turn small and big. Some are very strong. Some have powers, some don't. doctors are heroes, so are fire people. They catch baddies, they can fly, police are heroes. They are good people; they are kind and brave. Oliver's dad is a fireman and a hero! A hero is a person who helps someone. I know a hero is a fireman, ambulance driver, a police person, nurse, doctor, a charity worker, vets, lifeboats, and coastguard people who help others. I think teachers are heroes because they help us learn. Elves, they help Father Christmas make the presents. Some heroes can fly. Prime ministers, firefighters, ambulance, doctors, food workers, our friends, and teachers. They save the day. They run towards danger; they care about people. They have superpowers, they are kind, they can fly. They have superpowers and the most powerful is love. They are supercool. We can be superheroes when we stay at home in COVID. They are brave and looked up to by others. My parents are superheroes too! Fireman Sam. Rosa Parks is a superhero. They look after children who are sad or hurt.

The questions I would like to ask and explore about Heroes.

Why do they help people? Why do they wear uniforms? Do they have weapons? How do they know someone needs help? What do they do? Do they drive a hero car? How do you become a hero? What is their superpower? Why do policemen and firemen need hats? Can they fly? Can they rescue people? What are Green Lanterns powers? Do superheroes get scared? I would like to know if an animal has ever saved a person's life. How does Spiderman make his webs? Are all heroes good? How do they save the day? How hard is it to be a hero? Does being a hero make you shy? What do the police do when someone does something bad?

I would like to role play about Heroes

How they keep people safe. Pretend to be one. Being a policeman, being a fireman, being a builder - they help people by fixing things. To be a nurse. Batman. A flying superhero. To be fast like flash. To pretend to be a policeman. To play at being a vet saving an animal's life. To play at being a policeman with a police dog. Wonder woman. Saving people. To be Bumble Bee from Transformers. Practising rescuing people. Doing kind things. Bat girl, Super girl, Elsa.

I would like to make related to Heroes

To make a superhero. to make a fire engine. A superman. A hero car, A hero mask, a thank you card for a hero, a hero notebook. Make a hero car. Draw a picture of Batman. rescue someone's ball, make a superhero. A castle. A superhero outfit. A super dog outfit. Spiderwebs. A new hat / mask. A Bat cave from Lego

Reception: Spring Term Part 1

Be a Hero...

I would like to investigate and explore about Heroes

How much water is there in a fire engine? How do doctors help people? What do they drink? What is the difference between a real hero and a made up one? To watch videos about different superheroes. How do they become heroes? They rescue people, they can fly. What is happening around the world - what Heroes do they have in other countries? To find out what vets do? To find out more about how police dogs are trained. To find out more about Black panther. How do people become heroes? Are they born heroes? How can we help others? Do Superheroes have Mummy's and Daddy's. What do they wear? What does it feel like to be a hero?

I would like to visit or meet in relation to Heroes

Visit a fire or a police station. Captain America and Hulk. Meet a hero that catches baddies. Go to the police station. To meet a policeman. To meet batman. The fire station. To meet Flash. To like to meet a real hero. To meet a real hero who can wear a cape and fly. Super Bertiel

I would like to share or bring in related to our topic:

Bring in a toy fire engine. A superhero books. Book about heroes. Talk to the class about heroes I know. Bring in my fire helmet. Bring in Batman figure. To bring in a superhero made from home. To make Superhero things to bring in. I would like to tell how the doctors, and nurses helped my brother when he was sick as a baby. I would like to tell how the doctors helped me when I was born too early. All of my costumes. A picture of a hero. Film -We can be heroes. Book about fantastic women who changed the world! A doctors kit.

My other BIG ideas are:

A hero fancy dress day. To find out what moves they can do? Dress up for Superhero Day. A heroes tea party where we all dress up! Paw Patrol visit to Adventure Bay! Because pups love heroes too! Sing a song about heroes.
