

Wise Men Art Activity

To make a Wise Man, you will need:

- a cardboard tube
- paint
- coloured felt-tip pens or pencils
- white glue (such as PVA)
- scissors
- cut-out templates
- eco-glitter (optional)

Instructions

1. Paint the outside of the cardboard tube. Choose your paint colour carefully as your Wise Man's cloak will need to match or complement whatever colour you use here.
2. Print the templates onto paper.
3. Cut out a Wise Man template and a gift.
4. Decorate your templates using coloured felt-tip pens or pencils. You could add eco-glitter if you want (optional).

Top Tip: Make sure the cloak matches or complements the colour of the tube.

Think about what interesting patterns you could add to the Wise Man's clothes.

5. Use glue to attach your Wise Man to the cardboard tube and add his gift.

Top Tip: You might need to press gently on your Wise Man for a few seconds to help hold it in place while the glue dries.

6. If you want to make all three Wise Men, repeat the above steps for each of the remaining Wise Men templates.
