

This week we have been learning these sounds.

Please practice these sounds with your child. Look at the sound, say the sound and the rhyme that goes with it. E.g. 'ee what can you see'.

Look for the 'special friends' sound in each of the words. Then Fred Talk the word and blend it.

Your child can practice writing words with these sounds and even write a short sentence with one of the words in.

Thank you for your support! :)

cow

frown

brown

gown

towel
