Wednesday 28th June

- On arriving at the school on Wednesday, the children will need to come into the school hall placing their packed and clearly labelled luggage at the back of the hall.
- Any medicines needed for your child (including travel sickness tablets) for the visit should be handed to Mr English in the morning. This needs to be labelled with your child's name, in the original packaging and with clear instructions for administration.
- Unfortunately unless permission has been given we are unable to administer any medications, therefore, could you please ensure that any medication required has been written on your child's consent form and the medication permission form has been completed.

- The journey to Hindleap Warren should take about 1 hour.
