

This what I already know about nocturnal

creatures: An owl is a woodland creature, they come out at night. Foxes come out at night and sometimes poo on the grass. Owls sit on a branch and wolves and bears come out at night too. They come out at night. They sleep in the morning and come out at night. They sleep during the day. They are animals that are active during the night. They find food and eat, there are foxes and owls. They sleep in the day; Hedgehogs sleep in a pile of leaves. I already know that owls, bats, snakes, and foxes are nocturnal. Owls, hedgehogs, and bats come out at night. Bats sleep upside down. Owls make nests for their home. Foxes, badgers, moths, and bats. They sleep mainly during the day. A fox is a nocturnal animal. Creatures that come out at night. They like the dark. Animals that are nocturnal, owls, bats, foxes, hedgehogs, some can see in the dark. They sleep during the day - they have good eyesight at night. They come out at night and look for food. I know owls. They come out at night. A fox is nocturnal. I think rabbits and mice are nocturnal.

I would like to investigate and explore about nocturnal animals:

I want to explore forest animals. Fox's. What do they eat. What do they eat? Bats. Why do they sleep all day and sleep all night. What do they do and see at nighttime. Something interesting about owls, owl facts. I think hedgehogs come out at night. Animal homes and what do they eat? What do they get up to at night. Explore what food they eat. Different kinds of Nocturnal animals. I would like to see one in real life and explore their body. Where do owls live and sleep.

I would like to visit or meet in relation to nocturnal animals:

Wolves in the zoo. An owl show, I would love to see a hedgehog and a fox. I would like to visit a safari park. Meet an owl. The zoo or a museum. An Animal sanctuary. Hold a hedgehog. To meet a real bat. To meet a snake or an owl. To hold a hedgehog with a glove on as they are spikey. Meet an owl. A farm. Meet a hedgehog, fox, or owl. Hedgehogs. To visit a zoo. to see and maybe hold an owl. Watch some films about nocturnal animals. See an hedgehog.

The questions I would like to ask and explore about nocturnal animals are:

What do nocturnal creatures eat? Why do they only come out at night. How many nocturnal animals are there. Where do they sleep. What do they do? Are there any big nocturnal animals? What other nocturnal animals are there? Where do Nocturnal animals live? How do Nocturnal animals see? What do Bats eat? What do hedgehogs eat and drink? When do they eat food? What do they eat? Where do they live? Why do they come out at night? How do bats fly? Why do they sleep upside down? Where can I see a bat? How do they sleep during the day when it is light. What food do they eat. What do they drink? What they eat, why do they like the dark, how do they differ from other animals? Where do they live? They sleep in the day. What food do they like? Why do they come out at night. How can they see well at night? Do they eat chocolate? Why do they only come out at night? How does a hedgehog turn into a spikey ball? How do owls get their babies?

Reception: Autumn Term Part 2

Night-time tales.

Feedback from 17 planning forms.

I would like to role play:

I would like to be an owl. A fox. Wolves. A bat. An animal rescue, a dark place with torches. At home at night. A bat. Be a fox at night. A hedgehog, I can curl up in a ball. I can use my nose to smell as they can't see very well. A bat. Be a fox. The Gruffalo has an owl and a fox, Peter Rabbit has a badger and an owl but they are naughty. A rabbit. Role play being a hedgehog. Role play bats and owls.

I would like to make related to nocturnal animals:

I would like to make owl cupcakes. Paintings of animals. Arts crafts and colouring. A feathery owl, A flying bat. Make a bat out of cardboard. Make a paper bat. Make or draw a fox. Make a hedgehog or a fox. Make an owl or a hedgehog drawing, collage, build an animal house. A hedgehog box. Make food for the animals. Draw an owl. An owl out of cardboard.

My other BIG ideas are:

I want to make a T-Rex Dinosaur. A chocolate fox. To bring in some nocturnal animals. Maybe see or hear nighttime animals near me. I know bats smell, but I would like to learn more. I want to make my garden a sanctuary for Hedgehogs. Explore outside with a torch. Make a fox marble run. Make a cake in the shape of an owl.

I would like to share or bring in related to our topic:

My Harry Potter Badger. I have a book all about night animals. A book about owls. A teddy wolf. Toy owl, Owl Babies book. Bring in a snake teddy called Joey. A bat toy. Stories about nocturnal animals from home. A pet shop book. A photo with an owl. A Bluey story about a fruit bat.
