

This what I already know about Heroes:

They are strong, brave, and can save the world. Some of them can fly, some of them we can see every day. Superheroes have powers, they can fly. They go on trains. Batman, Superman Policemen firefighters and ambulance men. Superheroes help people when they need help. They save and help people. Terry Fox is a hero - he ran across Canada to raise money for medicine. There are heroes in movies and in our community. Like doctors, police, firemen, nurses, teachers, mummies and daddies. Police catch criminals. Ambulances take poorly people to the hospital quickly. Heroes save people. They can fly turn small, are strong like Hulk. They help you. Superman can shoot lasers out of his eyes. Batman was an ordinary boy who was afraid of bats. They save people when they are in danger from bad people. Heros can fly and run really fast. They fight bad guys and save the day. The police and fire people are heroes, they can drive fast vehicles. Superheroes are in films. and games - Super Mario. My neighbour is a Policeman. I know where doctors work. Find out what powers they have. They have lasers and Thor is strong. Heroes can be everyday people who help each other - nurses, doctors, police, firemen. We used to clap the heroes on our doorstep - (In covid) Some heroes have special powers like Wonder Woman - there are films about them. Sometimes they are heroes because they have done something amazing someone.

The questions I would like to ask and explore about Heroes:

How do you become a superhero? How does the hose work on the fire engine? How can we ask for help? How do they become heroes? Can anyone be a hero? What other things do the police do? Was the great fire of London the biggest fire in history? What kind of prisons were there in the olden days. What is your superpower in real life? What makes a hero? Why does Superman wear his pants over his trousers? Why does Batman have a bat mobile? Why do superheroes save people? How / where do you get your powers? What do police officers do with 'bad guys' when they catch them. How do superheroes fly and make webs? Is God a hero? Learn about space, Superhero cars. Can I become a hero? How did hulk get so big? Can I learn to fly like Superman?

I would like to role play about Heroes:

I would like to be a superhero. Role play being a fire fighter and a policeman. How does it feel to be a hero? Doctors. 999 dress up / role play. Superhero dress up day. I would like to be called Super...[name]. dress up as a superhero and take people to safety. A doctor.

I would like to make related to Heroes:

Make my own costume. Make a fire engine. An art project on all the different types of heroes. Superhero cake, superhero watch. Draw a superhero. Make a shield. Superhero props. To make a hide out from bricks and an Alana Mobile! Doctors and nurses are Superheroes and police officers. Make Spiderman Logo out of wood and string. A cape, mask and ambulance.

I would like to investigate and explore about Heroes:

Where does their power come from? Learn about helicopters. Different types of heroes and what they do. Learn more about Captain America and how his shield acts like a boomerang. How does Thor's hammer come back to him. See lots of pictures. Who is everyone else's superhero? How did they become a hero? How do superheroes fly? What qualities do heroes have? How do you become a superhero?

I would like to visit or meet in relation to Heroes:

Visit the fire station or the police station. Meet a police officer, fire fighter. To meet David Attenborough because he is saving the planet. A fire truck. See a real superhero. Ambulance, lifeboat station, fire engine, police station. Superman. Fire people and the fire engine. Daddy works for the ambulance service and saves lives. Have batman / spiderman come to school.

I would like to share or bring in related to our topic:

Bring in fire engine and helicopter toys. Share books about my heroes. Terry Fox book. Captain America teddy. Skye from Paw Patrol. A Spiderman figure. Zippo the Superhero - book. My daddy. (Mr. Wilby) Superhero Lego.

My other BIG ideas are:

Explore space. Heroes save the world, and I could be one if I'm nice, kind and helpful. Watch superhero films. I want to be a hero. I would live in a forest and take care of the world. I would protect everyone from the bad guy called 'Chicken Robin'. Super heroes should be able to fly, jump, really high, run really fast, and have laser eyes. Real Superheroes, the emergency services. To meet heroes and play heroes.

Reception: Spring Term Part 1

Be a Superhero...
