

**Year One Science Topics**

|               |                          |                     |                       |                  |
|---------------|--------------------------|---------------------|-----------------------|------------------|
| <b>Autumn</b> | Human Biology – the body | Materials           | Seasonal Changes      |                  |
| <b>Spring</b> | Biology - Planting       | Animals             | Caring for the Planet | Seasonal Changes |
| <b>Summer</b> | Plants                   | Growing and Cooking | Seasonal Changes      |                  |

**Year Two Science Topics**

|               |                            |                                  |           |          |
|---------------|----------------------------|----------------------------------|-----------|----------|
| <b>Autumn</b> | Animals Needs For Survival | Humans                           | Materials | Plastics |
| <b>Spring</b> | Plants (Light and Dark)    | Living Things And Their Habitats |           |          |
| <b>Summer</b> | Plants (Bulbs and Seeds)   | Growing Up                       | Wildlife  |          |
