

Dear Parents,

Congratulations on receiving a place for your child at St Peter's.

We are delighted to introduce ourselves as the school's lunch provider and inform you that **every child in Reception is entitled to a free hot meal** each school day.

At Go! Catering, we understand the significance of providing a child with a lunch. We know that meals and mealtimes are a very important part of family life, and that lunch is an important part of the school day. Over the last 10 years, our skilled catering team have produced over 1 million children's meals – meaning that we understand and mirror your expectation of providing high quality, healthy lunches that your child enjoys.

What do we need you to do now?

- [Click here to register on our online booking system \(https://bookings.gocatering.co.uk/\)](https://bookings.gocatering.co.uk/).
- Add your child's details to your account, including any relevant dietary requirements that may apply.
- Please note: This process should take no longer than 5 minutes; and we cannot provide a meal for your child until this is complete. Even if you are not intending for your child to have meals regularly, you must still register to ensure we are able to provide a meal safely should this ever be required.

What can you expect?

- ✓ School lunches that are **freshly prepared and cooked each day** – before being delivered to the school from our dedicated industrial kitchen (less than a 5-minute drive away).
- ✓ An **environmentally friendly** approach – with the daily cooking of meals completely removing the requirement for storage in plastic and other packaging waste.
- ✓ Menus that are carefully planned to be **nutritionally balanced** – with the aim of keeping children fuller for longer and ready to learn throughout the afternoon.
- ✓ And, most importantly, **lunches that children can look forward to!** Our previous experience providing meals has provided us with a real sense of what children enjoy.

What will be provided?

A substantial and healthy main meal (such as a roast dinner or pasta bolognese), with access to fresh salad items as a complement. The main meal is also followed by a daily dessert (such as homemade flapjack, cake, or mousse). Every child registered for school lunches will receive a meal based on their individual dietary requirements (i.e. allergies or intolerances) with a vegetarian alternative provided daily.

To view our menu for this current term, please visit: <https://gocatering.co.uk/current-menu/>.

Lastly, if you have any queries, please do get in touch with us using the contact information below and we would be delighted to help.

Kind regards,
Alistair Eagle
